

About the speakers

Marco Mensink

Director General of Cefic

Marco Mensink is Director General of Cefic, the European chemical industry, since May 2016.

Before joining Cefic, Mr Mensink was Director General of the Confederation of European Paper Industries (CEPI), representing the sector both at European and global level.

Starting his career at Ernst & Young Management Consulting, he worked for six years in environmental management and due diligence projects. He then worked for six years at the Royal Netherlands' Paper and Board Association, also representing the Dutch industry in Brussels. Marco Mensink holds a Master of Science Degree in Forestry and Business Management from the Agricultural University of Wageningen in the Netherlands.

Monica Frassoni

President of the European Alliance to Save Energy

Monica Frassoni is President of the European Alliance to Save Energy, a business organization dedicated to promoting energy efficiency across Europe, since 2010.

Between 1999 and 2009, she was Member of the European Parliament and co-chair of the European Greens–European Free Alliance group in the European Parliament.

Previously she served for 10 years as an officer of the Greens group in the European Parliament and was Secretary General of the Young European Federalists. In late 2010, Frassoni took up the role of President of the European Alliance to Save Energy.
