Keeping track after the elections

The Parliament is now reorganising its work and will be fully effective in July, when MEPs officially take up their seats in the European Parliament after the constitutive session.

In a rather extensive version of our newsletter, we have chosen to give you a list of re-elected MEPs who were members of the ITRE Committee in the term 2009-2014.

ITRE committee members will be confirmed in early July and we will keep you informed of the developments.
