

About the speaker

Pierre BORNARD

*Chairperson of the Board of ENTSO-E &
Deputy CEO of RTE*

Pierre Bornard is currently the Deputy CEO of RTE, the French electricity transmission system operator.

Mr Bornard has been the Chairman of the Board of Powernext SA (the French power and gas exchange) ever since it was created in 2001. He is also the Vice-Chairman of the Supervisory Board of EPEX Spot SE (a 50-50 joint venture between Powernext and EEX AG, operating in the spot electricity market in France, Germany, Switzerland and Austria).

In June 2013, Mr Bornard was elected Chairman of the Board of ENTSO-E, the network of European transmission system operators established in accordance with new European legislation.
