

About the speakers

Hans ten Berge

Secretary General of Eurelectric

Following posts in a number of international enterprises, including Exxon Chemie and Kemira Agro, Hans ten Berge joined ENECO Energie in November 1998 as Managing Director of Energiehandelsbedrijf, subsequently serving as a member of the ENECO Energie Board of Management from November 1999 until January 2006. He served for several years as Chairman of EURELECTRIC's Markets Committee, before taking on the full-time post of Secretary-General in June 2007. Mr. Ten Berge was re-elected Secretary General for a second three year term in June 2010.

Elena Višnar Malinovská

Cabinet of Commissioner for the Environment Janez Potočnik

Ms Višnar joined the cabinet in February 2010, where she is responsible for issues regarding air quality, IPPC and industrial emissions, transport and environment, among others, as well as for the coordination of policies with DG competition, DG Internal market and financial services, DG Trade and DG Transport.
