

## About the speaker

**Peter C. Evans, PhD**

*Director, Global Strategy and Planning, GE Energy*

Peter C. Evans leads the Global Strategy and Planning team at GE Energy, which is responsible for tracking and analyzing political, economic and regulatory policy trends around the world.

Dr. Evans oversees the Economics, Carbon, Fuels, Policy, and Strategic Workforce Planning Centers of Excellence, as well as long term scenario planning for the business. He is a member of GE's Corporate Marketing Council.

Prior to joining GE, he was Director, Global Oil, and Research Director of the Global Energy Forum at Cambridge Energy Research Associates (CERA). He also worked as an independent consultant for a variety of corporate and government clients, including the US Trade Promotion Coordinating Committee, US Department of Energy, the Organization for Economic Cooperation and Development, and the World Bank.

Dr. Evans has extensive international energy experience, including two years as a Visiting Scholar at the Central Research Institute for the Electric Power Industry in Tokyo, Japan.

His many articles and policy monographs include *Japan: Bracing for an Uncertain Energy Future* (Brookings Institution, 2006), *Liberalizing Global Trade in Energy Services* (AEI Press, 2002), and "International Conflict and Cooperation in Government Export Financing" (Institute for International Economics, 2001).

He is a member of the Council on Foreign Relations and Chair of the Corporate Planning Roundtable of the National Association for Business Economists.

Evans holds a BA from Hampshire College and a master degree and PhD from the Massachusetts Institute of Technology.
