New EEF Members

Fortum becomes Associate Member of the EEF

Fortum is a Nordic energy company. Our purpose is to power a world where people, businesses and nature thrive together. We are one of the cleanest energy producers in Europe and our actions are guided by our ambitious environmental targets.

We generate and deliver clean energy reliably and help industries to decarbonise their processes and grow. Our core operations in the Nordics comprise of efficient, CO2-free power generation as well as reliable supply of electricity and district heat to private and business customers.

For our ~5 000 employees, we commit to be a safe, and inspiring workplace. Fortum's share is listed on Nasdaq Helsinki.

The main contact of Fortum to the EEF is Ms **Anne-Malorie Géron**, *Director, EU Affairs*.

eFuel Alliance becomes Associate Member of the EEF

The **eFuel Alliance** is an interest group committed to promoting political and social acceptance of eFuels and to securing their regulatory approval. We represent more than 170 companies, associations and consumer organizations along the eFuel production value chain. We stand for fair competition and equal competitive condition for all relevant emission reduction solutions. We are firmly committed to further climate change mitigation and seek recognition for the significant part eFuels can play in sustainability and climate protection. Our aim is to create the conditions for the industrial production and widespread use of CO₂-neutral fuels from renewable sources of energy.

eFuel Alliance's main contact to the EEF is **Dr Tobias Block**, *Head of Strategy and Content*.

EEF Members' Events

GRIDTech Conference

14 November | 14:00 - 18:30 (CET) | Brussels

Meet over 200 participants: policymakers, EU Member States representatives, academics, and industry players will discuss key topics incl. the energy system integration for hydrogen, electricity and CO₂, methane emissions reduction, EU's hydrogen economy levers and renewable and low-carbon gases infrastructure's development.
