## EEF Past events

*Dinner-Debate*
### Powering together: Public acceptance for RES and clean transition projects
**Tuesday 18 March | EP Brussels**

Thanks to EEF Associate Members **Fortum**, **PPC**, and **Euroheat & Power** for valuable insights on stakeholder engagement, community involvement, and overcoming social resistance in renewable energy adoption. Their real-world examples from Nordic and Southeastern Europe highlighted key factors for effective clean energy projects. Special thanks to **Paula Rey Garcia, Deputy Head of Unit, DG ENER**, for sharing the EU's perspective on promoting public acceptance of renewables.

*Working Breakfast*

**ITAC Industrial and Technical Advisory Committee Meeting**

**Tuesday 25 March | EP Brussels**

The event brought together Active and Associate Members to dive into key energy topics and explore how the EEF is moving forward. Great discussions, valuable insights, and a strong sense of community—thank you to all who joined!

*Energy Reception*

**Shaping the future of energy: key priorities and perspectives**

**Tuesday 1 April | EP Strasbourg**

A big thank you to **Borys Budka** MEP, ITRE Chair, for the engaging and dynamic dialogue, with a constant exchange of questions and insights. Grateful to the MEPs and all participants for their valuable contributions. Look forward to seeing you at our next energy debate!

## EEF Team Updates

**Welcome to Marta!**

We are pleased to welcome Marta, who has joined our team as Event Coordinator!

Marta began her career as a Multimedia Communications Trainee at EUROCONTROL and later worked as a Customer Communications Specialist at UPS.

With a Master's Degree in Modern Languages for Communication and International Cooperation, she developed a keen interest in

journalism, social media and event management.

## New EEF Member

### Europex

Europex is a not-for-profit association of European energy exchanges with 37 members. It represents the interests of exchange-based wholesale electricity, gas and environmental markets, focuses on developments of the European regulatory framework for wholesale energy trading and provides a discussion platform at European level.

Europex's main contact to the EEF is **Mr Christian Baer**, Secretary General.

We warmly welcome them and look forward to working together!

## EEF Members' News

*GIE Exclusive Study Launch*
**Biomethane in the EU: How Current Gas Infrastructure Can Drive Future Energy Solutions**
**30 April 2025 – Brussels, Belgium**

During this event, a new GIE study will be launched, highlighting the crucial role of existing gas infrastructure in supporting the scale-up of biomethane across the EU energy system. The analysis shows how methane pipelines and underground storage are indispensable to balance supply and demand across regions and seasons, particularly for heating and dispatchable power generation.
